

QUESTIONS OR CONCERNS OF SEVERELY INJURED OFFICERS

- Will my salary continue?
- Will I have to use sick days, comp time, vacation time and/or in conjunction with Family Medical Leave?
- Will my health insurance continue?
- Is there a provision in Union Contract about injuries on Duty?
- How does Worker's Compensation work?
- Do I need an Attorney?
- If so, who should I select?
- How do I select a QRC (Qualified Rehabilitation Consultant)?
- Am I entitled to psychological counseling?
- What disability retirement benefits are available for me?
- Can I receive vocational training or education in order to work in a different occupation?
- What other benefits are available for me?

Each one of these questions requires a detailed explanation from persons who have experienced these issues and are aware of why the right kinds of decisions are critical.
